Re: *Demetrios Mallisham Award*

Dear Mr. Mutch:

B & Dee's Baltimore Love, founded by Brian Dolbow, was created to honor Brian's beloved friend, the late Demetrios Mallisham, who passed away in 2016. Demetrios, while working as the mayoral "Neighborhood Liaison" and the liaison to the LGBT communities during both Mayors' Dixon's and Rawlings -Blake's terms, touched the lives and hearts of many people across Baltimore City; and it is our mission to continue his exceptional and critical work.

B & Dee's Baltimore Love has TWO primary goals:

1. Providing support and critical resources to those less fortunate in Baltimore City; and,
2. Inspiring others to give back to their community!

The *Demetrios Mallisham Award* is an annual award given to individuals or organizations that truly exemplify:

- ◆ A strong commitment to enhancing the lives of veterans, senior citizens, struggling families, people experiencing homelessness and all those in need;
- ◆ A compassionate heart when giving back to the community.
- ◆ A positive attitude and approach that inspires others to get involved in helping the less fortunate; and,
- ◆ A fighting spirit when overcoming obstacles.

I am honored to announce that this year's *Demetrios Mallisham Award* goes to Chase Brexton Healthcare! Thank you for all that you do! Together we WILL make a difference!

Congratulations!
