

Brian Dolbow received his Bachelor of Arts Degree in Communications from Neumann in 1999. Upon graduation, Brian searched for ways to help fulfill his dream of making a difference in people's lives. He found his passion within running a nonprofit organization that specializes in providing support and resources for the homeless community. Brian founded B & Dee's Baltimore Love in memory of his friend, Demetrios Mallisham. The mission of B & Dee's Baltimore Love is to provide help and resources to those experiencing poverty and homelessness in Baltimore City. From just a few volunteers, to growing to nearly 1,500, B & Dee's Baltimore Love has helped the community tremendously. Being able to support those in need, and inspiring others to give back, has helped Brian's mission to have

the memory of his friend live on.

Brian is passionate about helping others and making sure they keep working towards their dreams. Being able to feed hundreds of people per month, and thousands during the holidays, Brian is making a huge impact on his community. Brian first got involved with supporting the homeless community while attending Neumann and is forever grateful to the Sisters of St. Francis of Philadelphia for the opportunity to serve those in need. He is grateful for his involvement in Mission and Ministry while at Neumann and is thankful for the knowledge and expertise he received as a student that he has used in his professional career.
